NewsFlash :: August 2009 :: COUNTRY CHANGE

Hello again, this is Bob Perez.

What a summer! June took us over 4,000 miles in our car and next week I am headed to Connecticut, but GOD HAS BEEN AWESOME!! But the most incredible of all is our **change of mission fields**.

On June 25, 2009, we sat down with our Regional Director in Missouri and after 90 minutes, we left sad, yet excited about what lay ahead in our future. We have formed so many friendships in Chile and have had such a great ministry, yet we knew that God was leading us down a new path which has opened a door for us into Costa Rica.

Lord willing, in the summer of 2010, we will be moving to Costa Rica where we will be involved in two distinct, yet life-changing ministries:

1 Giving girls back their childhood

We will be involved in “**child sex-trafficking**” and we need your prayers.

Costa Rica is #1 in Latin America with regards to this industry and 1000’s of young lives are destroyed each day as young girls work to support their families. Friends, Michele has had an ugly past and I truly believe God is going to take what the devil meant for evil and use it for his good!

2 Giving communities churches with purpose

We hope to **pioneer a church planting movement** based upon the U.S. “Church Multiplication Network” and it is our desire to plant many churches, touch lives, and reach as many as possible for Jesus Christ.
